Family Add-On

Students can only add family members in their starting semester (i.e. September start students can only add family in the Fall semester, by the deadline dictated on the website and brochure). The family benefits form is available at the FSU Office (SC-1000). The cost of adding family members are in addition to the student Health Plan fee and is paid once, at the time you enroll your dependents.

You may apply for dependent coverage online using Visa or Mastercard by going to wespeakstudent.com. If you purchase coverage in September 2024, your dependents are covered until August 2025 (some restrictions apply). Your dependent(s) will be enrolled in the same plan option you choose.

Student Assistance Program

The WeConnect Student Assistance Program (SAP) provides eligible students and their dependents with short-term therapy, lifestyle counselling, courses, tools and events to improve mental and physical health.

- Access is available 24/7 by phone or virtual resources, worldwide.
- Care is immediate by connecting with the intake team and there is no level of payment required.
